WHAT IS THE NBCRA?

The Northern BC Recreation Association evolved from a 1982 Northeastern BC group of recreation practitioners and volunteers who began meeting to organize and implement regional networking, leadership training, programs, and coordinated community events. The intent of the group was to share information and experiences regarding facilities, programs, leadership, special events, and to assist with local community development.

In later years, when the British Columbia Recreation and Parks Association restructured to strengthen regional membership through the formation of regional liaisons and provincial representation, the responsibility of representing the BCRPA in the Northeast was accepted by the Northeast group of recreation personnel.

It was then established as the responsibility and overall mission of the NBCRA to have regional networking along with provincial representation from the BCRPA and the RFABC.

The Northern BC Recreation Association was incorporated May 6, 1992 as a forum for association members to regularly meet to conduct business, enhance the wellbeing of communities as well as, individuals through promoting recreation and leisure in the Northeast region of British Columbia.

PURPOSES OF THE NBCRA:

- To provide a forum for discussion and the exchange of information.
- To promote and foster recognition and awareness of leisure time and recreation in community and individual wellbeing in the region.
- To encourage and promote the skill development of both volunteer and practitioner.
- To lobby private and public corporations on matters related to the delivery of recreation opportunities.
- To represent the leisure interests of individuals and organizations in northeastern BC & Alberta Regions.

MEMBER INFORMATION

Any individual or group subscribing to the purpose, beliefs, and principals of the association is eligible for membership.

Individuals Memberships are available on an annual basis for \$50.00 per person.

All members receive information packages, meeting agendas, minutes & community reports from the region via email.

Networking among NBCRA members is ongoing and is the greatest benefit of membership.

Members in good standing are eligible to vote at regular meetings, annual general meetings and special meetings.

The service area for the NBCRA is Northern BC and neighbouring Alberta communities.

SCHOLARSHIP

Annually, the Northern British Columbia Recreation Association offers a scholarship available to graduation students in Northern BC. scholarship value is \$1,000.

Check your local high school for scholarship requirements.
